### Completing a Form

On the My LPDC Forms page, you have the ability to fill out your LPDC forms such as your IPDP, or approval for professional development activities. Simply choose the type of form you wish to fill out from the list provided.

On the forms themselves, you will find a few links containing information that may help you when filling out those forms. The information will pop up in a new window, so it will not interfere with your writing process.

## Tracking Contact Hours

Contact Hours Awarded

The My LPDC Forms page also keeps a running count of all the Contact Hours that you have earned through activities you have submitted *through this site*. It may or may not be an accurate representation of how many credits you have actually earned. This number is provided just to help you keep track of what you have earned to date, but DOES NOT include any forms that you turned in on paper. **All of the numbers in this column have been converted into Contact Hours, therefore a 3 semester hour graduate class will be listed as 90 Contact Hours.** For your reference, a chart describing how many Contact Hours a given activity may be worth is located on the LPDC homepage (<http://cybersummit.org/LPDC/ActivityOptions.html>).

## Automatic Feedback

Whenever one of your forms has been reviewed by the committee, you will receive instant feedback via email to notify you whether your form has been accepted or rejected. If your form was rejected, then you can log into the system to view comments from the LPDC committee describing why it was not approved.
